

PUBLIC NOTICE

This is to inform all concerned that the Medical Council of India (MCI) with the prior approval of the Government of India, Ministry of Health & Family Welfare, New Delhi has made Amendments in the "Screening Test Regulations, 2002" and also in "Eligibility Requirement for Taking Admission in an undergraduate medical course in a Foreign Medical Institution Regulation, 2002" vide Notifications dated 1st March, 2018, for the requirement of National Eligibility cum Entrance Test (NEET) in respect of the Indian Citizen/Overseas Citizen of India who are desirous for taking admission in MBBS or its equivalent medical course in a medical University/College/Institute outside the country on or after May, 2018.

Accordingly, public at large is hereby informed that in terms of Clause 4(2A) of the "Screening Test Regulation, 2002" and Clause 8(iv) of the "Eligibility Requirement for Taking Admission in an undergraduate medical course in a Foreign Medical Institution Regulation, 2002", an Indian National/Overseas Citizen of India who are desirous for taking admission in MBBS or its equivalent medical course in a medical University/College/Institute outside the country on or after 1st June, 2018 shall have to mandatorily qualify the NEET.

It is further informed that the requirement of Eligibility Certificate in respect of such person (s) who would take admission in MBBS or equivalent medical course in a medical university outside the country on or after 1st June 2018, has been dispensed off. The result of the NEET for admission to MBBS Course shall deem to be treated as Eligibility Certificate for such persons. However, such a person(s) has/have to meet the Eligibility Criteria for admission to the MBBS Course prescribed under clause 4 in the Graduate Medical Education Regulations, 1997. For more details, the person concerned is advised to refer the said Regulations which are available on the official MCI Website www.mciindia.org.

It is also informed that as per clause 4(1) of the Screening Test Regulations, 2002, any primary medical qualification (MBBS or equivalent) which is confirmed by the Indian Embassy concerned to be a recognized qualification for enrolment as Medical Practitioner in the country in which the Institution awarding such qualification is situated, can be considered/treated deemed to be recognized

एनएमसी बिल में संशोधन को मंजूरी

डॉक्टरों को प्रैक्टिस के लिए अलग से परीक्षा नहीं देनी पड़ेगी

आयुष चिकित्सकों के लिए ब्रिज कोर्स का प्रावधान भी खत्म

एजेंसी | नई दिल्ली

डॉक्टरों को प्रैक्टिस शुरू करने के लिए अलग से परीक्षा नहीं देनी पड़ेगी। एमबीबीएस की अंतिम परीक्षा से ही उन्हें प्रैक्टिस की अनुमति मिल जाएगी और विदेशों से प्राप्त मेडिकल डिग्री को भी मान्यता मिल जाएगी। केंद्रीय मंत्रिमंडल ने बुधवार को नेशनल मेडिकल कमीशन (एनएमसी) बिल में कुछ संशोधनों को मंजूरी दे दी।

संशोधनों के अनुसार एमबीबीएस की परीक्षा को ही नेशनल एक्जिट टेस्ट के तौर पर माना जाएगा। एमबीबीएस के बाद लाइसेंस के लिए अलग परीक्षा नहीं देनी पड़ेगी। आयुष चिकित्सकों द्वारा आधुनिक चिकित्सा का पेशा

करने के लिए जरूरी ब्रिज कोर्स का प्रावधान भी खत्म कर दिया गया है। यह जिम्मेदारी राज्य सरकारों को दी गई है कि वह ग्रामीण क्षेत्रों में प्राथमिक स्वास्थ्य सुविधाएं प्रोत्साहित करने को कदम उठाएं।

उल्लेखनीय है कि एनएमसी बिल स्वास्थ्य मंत्रालय से जुड़ी स्थायी संसदीय समिति के पास भेजा गया था। उसकी सिफारिशों के आधार पर ही इसमें संशोधन किए गए हैं। निजी संस्थानों तथा मानद विश्वविद्यालयों की 50% सीटों का शुल्क भी नियमित किया गया है। आयोग में राज्यों तथा केंद्र शासित प्रदेशों के नामित सदस्यों की संख्या तीन से बढ़ाकर छह की गई है। आयोग में कुल 25 सदस्य होंगे और इनमें से 21 डॉक्टर होंगे।
